November Word Family

— og

2nd quarter assessments will be starting soon.

Practice 2nd quarter skills with your child for the upcoming assessments.

- name capital and lower case letters
- produce letter sounds
- read tricky words
- blend sounds to read words
- name flat and solid shapes
- rote counting (counting by memory)
- number identification

Math - Topic 6

In this topic, we focus on an understanding of addition.

Students will represent addition using their fingers, objects, drawings, and verbal explanations. They understand addition as "putting together" two groups (joining) or as "adding to" a given group.

We hope everyone had a wonderful Thanksgiving with their families.

Thanks again to the parent volunteers who either helped with our Thanksgiving Feast and/ or donated items. We could not have done it without you!
