Math

We are working on subtraction. To practice give your child at least 10 small objects. Pieces of cereal work swell. Ask them to show you 7-4 using the cereal. Try other problems such as 8-3 or 6-2.

Reminder

Please remember to send your child to school with clothing that is appropriate for outdoor play. Students will have outdoor recess when the temperature is or above 0 with the wind chill.

Keeping a pair of gym shoes in your child's locker is a great idea during the winter months.

Report Cards

Please sign and return only the report card envelope at your earliest convenience. Your child's report card is yours to keep. Thank you!
