MATH

Try counting forward beginning from a given number within the sequence.

15, __, 17

11, 12, __

__, 19, 20

Mastering addition and subtraction facts to 5 is an end of year goal. This skill takes extra practice. Your help at home would be awesome. We will assess mastery of math facts through timings. We encourage the students to think about the number sentence rather than rely on using their fingers or drawing a picture.

*A special Thank you for all of your donations and help with raising money for Jump Rope for Heart, our Valentine's Day parties and our field trip to see the play,
"Dragons Love Tacos!" We had a fun week!*
