

# Kindergarten Newsletter

Week of September 18, 2017

Weekly Newsletters online.

## Sounds We Are Learning

C and K share the same sound. Practicing and reviewing the letter names and sounds would be beneficial for your child.  
*Thank you in advance!*

## Tricky Word of The Week

## Dates to Remember:

- ◆ Thursday, September 21st  
Tornado Drill
- ◆ Monday, September 25th  
Curriculum Night 7:00–8:00

**Parents Only**

*We're hoping every family is represented.*

This month we will have our first **C.A.T.C.H.** lesson. **CATCH** stands for a **Coordinated Approach to Child Health**. Health professionals from Northwestern Kishwaukee Hospital come into the classrooms monthly to teach healthy living lessons. The catch program aims to teach children to make lifelong healthy food choices and to promote a healthy lifestyle.

## Math

We will start Topic 2 this week. It will focus on comparing numbers **0** through **5**. We will determine which group is greater by matching and counting. Some key vocabulary words for this topic include; **greater than, less than, same as** and **equal**.
