Sounds We Are Learning

Tricky Word of The Week

you

What Is Blending?

Blending is the process of saying the individual sounds in a word then running them together to make the word. For instance, blending or sounding out /s-a-t /and making sat. It is a technique every child will need to learn, and it improves with more practice.

Reminders

- Curriculum Night
September 25th 7:00
Thank you in advance for attending
- Kindergarteners **must** wear tennis shoes (*rubber soles*) to P.E. in order to participate.

Math

We continue to focus on comparing numbers 0 through 5. Two numbers can be compared by using the counting number sequence. A number represents a quantity greater than another quantity if it is later in the sequence. In addition, Topic 2 teaches that good math thinkers use what they know to show and solve problems.

Happy Birthday Johnny Appleseed

In honor of Johnny's birthday on September 26th, we will read books about his life and create apple projects.
