

Cheerleading

We have a competitive Cheerleading program for girls ages 5-12. We have practices three times a week along with spirit cheering at football games. We compete with other Pop Warner Cheer programs from the Chicagoland area along with the Mid-America region in two competitions. We strive for excellence in school along with team building and fun on the field. Coaches are certified in Youth Cheer and Dance Association (YCADA) and follow guidelines for safety in all they do. **Competitions are required.**
