Kishwaukee Tennis Association is holding a tennis event for ages 6 to 11 at the library. Parents and friends are welcome to watch the kids participate in tennis drills and games under the guidance of our certified "11 and under" tennis coach, Mark, and other KTA volunteers.

Equipment will be age appropriate and the focus will be on fun. Light refreshments will be available and there will be a "Red Ball Challenge." The KTA is a USTA certified tennis organization.
