Dear Parents:

We want to thank all of the parents that came out and purchased books at the Book Fair we held during the Fun Fair at Genoa Kingston Middle School. We are excited to announce we will be hosting an **Usborne Books & More Online Book E Fair** for any families who could not come to the Book Fair or who would like to make additional purchases. You order online and the books ship directly to you!!!!

Usborne and Kane Miller books are the most exciting, engaging, and educational books on the market today. They are high quality, innovative, lavishly- illustrated and, best of all, they are the books kids love to read. Thirty years ago Peter Usborne pioneered a new generation of books that prove that it is possible to create books that compete with the vast media that attracts children today. From activity books and neat fiction series, to internet-linked encyclopedias, Usborne does books better.

The Genoa Kingston PTO will get **FREE BOOKS** based on your purchases from the E fair just like they did from the actual book fair, so please share this information with friends and family to help their library grow!

Start shopping now at:

<https://c4706.myubam.com/847038>

We appreciate your support and know the children will enjoy their books!

Warm regards,

Karen and Jeremy Tindle
