NORTHERN ILLINOIS DANCE CENTER

4 WEEK SESSION CLASSES

These classes are only 4 weeks long. Each class is 45 minutes long.

These classes will not be in our June recital.

Does your child love to twirl, play make believe and dress-up?
Then she will LOVE becoming a Princess Ballerina!
Each week she'll hop, skip and twirl through an imaginary adventure! By encouraging your child's creativity and independence in a fun and supportive atmosphere you'll see your child blossom before your eyes!

What Happens In A Princess Ballerinas Dance Class?

Each class begins by warming up our muscles, stretching and reviewing our ballet positions during warm-up.

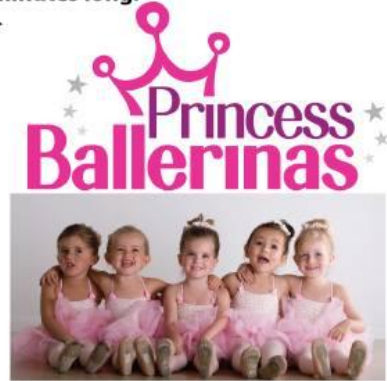

We practice our Princess Ballerina dance moves (and review their fancy French names) like relevé, plié, and jeté.

We travel to magical lands and pretend to be things like beautiful flowers, fairies, birds, bees, and butterflies.

We practice our Princess Ballerinas dance routine that we can't WAIT to perform for you!

Each class ends with your child getting a stamp or sticker to reward and celebrate her progress and success!

Watch your Princess Ballerina blossom!

Princess Ballerinas class is held on Tuesdays from 10-10:45am
\$40 is slashed to just \$30 for a special introductory rate for this first session.
