Discover 4-H

Wednesday, October 10, 2018
6:30 - 8:00 p.m.

DeKalb County Farm Bureau Building at
the corner of Peace Rd. and Bethany Rd. in Sycamore

4-H is open to everyone ages 5 - 18 years old as of
September 1, 2018

Questions? Call (815) 758-8194

During this evening you and your parents will have an opportunity to speak to 4-H volunteers and 4-H members actively involved in the 4-H program. You will also be able to participate in some hands-on 4-H project activities, as well as see some of the many exhibits our 4-H members displayed during the 4-H project show this past summer. You will also learn how to contact a 4-H club in your area.

4-H is a youth organization for boys and girls that are between the ages of 8 and 18 as of September 1. The 4-H program offers over 170 different projects for youth to choose from. These projects range from computers, visual arts, foods, wildlife, photography, rocketry, animals, entomology, woodworking and much more. The 4-H program emphasizes the importance of "learning by doing" by allowing 4-H members the opportunity to select project areas that are of interest to them.

Additionally, 4-H offers a Cloverbud program for youth ages 5-7 as of September 1. 4-H Cloverbuds participate in hands-on learning activities to explore art, plants and animals, science, and the environment.

To learn more about the 4-H program and the 4-H Cloverbuds please make arrangements to attend "Discover 4-H" on Wednesday, October 10. If you are unable to attend, but would like additional information about 4-H please feel free to call the University of Illinois Extension of DeKalb County at (815) 758-8194.

If you need a reasonable accommodation to participate in this program, please contact the DeKalb County Extension office.
